Are Pin Kits Fitted? Yes No

If No, see note 2 below.
If Yes, what size?

General Notes:

- Standard toes and tapers will be supplied, unless specific dimensions are shown at M and N above. N.B. Non-Standard requirements MAY be more expensive.
- Pin Kit: Under the provisions of machinery directive 2006/42/EC, "means shall be provided to prevent unintentional lateral displacement of the fork arms on the fork carrier". If no pin kit is shown above, it is your responsibility to ensure an alternative means is in use. Consult Cascade.
